Annual Report

of the

Town of Enfield New Hampshire

**Year Ending December
1998**

Digitized by the Internet Archive
in 2009 with funding from
Boston Library Consortium Member Libraries

In Memory of

Mazie Barker
6/30/1895 - 7/31/1998

Muriel Salman
7/24/1900 - 11/26/1998

By bestowing the honor of the Boston Post Cane on Mazie Barker and Muriel Salman, these women were recognized by the Town of Enfield as being the oldest residents of the town in 1996 and 1998, respectively. Enfield's Boston Post Cane is one of 700 gold-headed canes given to New England towns in the 1920s by the The Boston Post owner, editor and publisher, Edwin Atkins Grozier. The Boston Post Cane has passed from hand to hand, down the years, in compliance with the inscribed directions on the gold head. Award of the Boston Post Cane began as an advertising scheme, but has become a New England salute to its Senior Citizens.

Mazie was born on Wells Street in 1895. She was the fourth member of her family to be awarded the Boston Post Cane. Mazie Barker received the cane on June 3, 1996, less than one month before her 101st birthday.

Muriel was born in Cambridge, Massachusetts in 1900 and summered in Enfield with her family from the time she was an infant. In 1962, Muriel and her husband retired to Mascoma Lake. Muriel Salman served on the "Save the Covered Bridge" Committee and was a member of the Union Church in Enfield Center.

Cover Story: Enfield Railroad Depot

The Enfield Railroad Depot was built in 1907 by the Boston & Maine Railroad to accommodate passengers on its Northern Line. The station remained in service until the mid-fifties. Over the years, the building has seen service as a facility for Catabriga Oil Co. and a general storage building. With increasing demands on emergency medical training, the Enfield FAST Squad petitioned the Town in 1994 to purchase the building as a training facility and in return the Squad would take on the restoration of the building as a project. The article was approved at the Town Meeting and the Squad started to return the building to its original condition. As much of the original woodwork as possible has been replaced. All of the replacement wood, chair rail, window moldings, V board etc. was shaped and installed by Squad members. In September 1997 an open house was held to celebrate the twenty years of Squad service to the Town.

The building presently houses the ambulance. It is used to conduct the monthly training meetings, the annual town-wide CPR course, monthly Squad business meetings, this past fall an area-wide four month EMT course and other training exercises as needed. The Squad would like to thank the residents of Enfield for their support with this project.

Note to Enfield Citizens

Because of the time constraints placed on the Town under New Hampshire RSA 40:13 (SB 2) and citizen requests for earlier availability, the Town Report has been formatted somewhat differently than in previous years. The 1999 Warrant, Budget (MS-7), Proposed Operating Budget, Supplemental Schedule-MBA, and Budget Committee narrative have been printed separately as an addendum to this Report.

Any 1998 financial or vital records received by the Town of Enfield after the publishing deadline in early January 1999 should be available at the Town Office by the voting date, March 9, 1999, and will be included in the 1999 Town Report. This may include, but is not limited to, the 1998 Balance Sheet, marriages, births and deaths.

To Our Fellow Citizens of Enfield

1998 was a good year nationally and locally. The citizens of the Town of Enfield are enjoying taxes below what they were several years ago. It also looks like we will have a modest budget surplus at the end of this year which the Selectboard proposes to be used to apply toward outstanding debt and for several project opportunities.

We continue to be well served by nearly forty individuals serving on or as town boards, town officers and volunteer agencies. The number of hours donated to the work and services by these individuals to the town and its citizens is beyond count. In addition to the cost saved, this volunteerism gives town government a direct tie to its citizens and reflects, through their participation, their concerns and values.

As this letter goes to press the Selectboard and the Budget Committee are working hard to hold the line on expenses, yet provide the quantity and quality of public services you desire, and to insure we make the capital investments to be able to maintain these essential services.

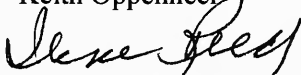

We have replaced the Grafton Pond Road bridge, fenced several cemeteries, bought a new ambulance, and continued to improve Huse and Shaker Recreation Parks. But the most exciting news concerns scheduled improvements. Over the next four or five years the State will invest approximately 8 million dollars in rebuilding a part of US Route 4 in the village center, and in replacing the Main Street, Shaker Boulevard and Mascoma Lake bridges. This work will provide or create opportunities for new recreational facilities, safer intersections, new sidewalks and improved landscaping in many areas.

As always our meetings are open to your participation. Please stop by and tell us what you like and do not like and what you would like the Town to do.

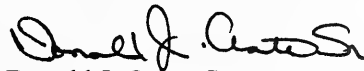

Respectfully submitted,

Keith Oppenheer

Ilene P. Reed

Donald J. Crate, Sr.

Enfield Board of Selectmen

Town Manager's Report

It has been a pleasure to serve as Town Manager for the Town of Enfield. We both appreciate and respect the continuing confidence the Town has expressed in Municipal Resources, Inc.

In a continuing effort to make information readily available, an Enfield web page was created and is provided by SEG Net. This web page may be found at <http://www.enfield.nh.us>. You will find that the full Town Report and Board of Selectmen's adopted minutes are posted there. In the coming year we will be requesting that other Boards and Commissions provide their minutes in a compatible form so that they too might be posted.

Also in the area of information, the 1998 Town Meeting passed a number of enabling articles which will not be on the warrant this year, or in future years, unless they are petitioned. Nevertheless, they will be printed in the Town Report so that no one loses track of them.

Staff planning enlarged the Town Facilities Study and various Public Works Equipment and Road Plans into a unified Capital Improvements Program (CIP). This CIP was then reviewed and adopted by the Enfield Planning Board. The CIP, updated annually, becomes a useful tool in the budgeting process by forcing us all to review the public needs of the town for the foreseeable future, and forecast its fiscal capability. Reconciling the needs with the always limited fiscal resources results in an indispensable yearly process of reviewing and determining community priorities.

The NH Department of Transportation has begun a series of projects in downtown which will continue for the next 4-5 years, including bank stabilization and realignment of Route 4, the Shaker Hill Road Bridge, the Main Street Bridge and the Shaker Bridge over Mascoma Lake. In response to these, the Selectmen created a Downtown Technical Advisory Committee for NHDOT Bridge Projects. This committee was then reconstituted as the Downtown Plan Committee to take a planning look at issues relative to these State investments. We expect that in 1999 this committee will be further enlarged. The planning/economic development results of this committee's work should be at least one of a series of small area plans which may then become amendments to Enfield's Master Plan. Such plans will include the amount of detail required to be part of Enfield's Capital Improvement Program, a primary budgeting tool.

We would be remiss if we did not acknowledge and thank the Town's employees for the fine work that they do. These employees are as dedicated and hard-working a group of people as we have seen anywhere. It is a pleasure to serve and work with them.

Respectfully submitted,

Stephen B. Griffin
Assistant Town Manager

Patrick MacQueen
Assistant Town Manager
Municipal Resources, Inc.

To the Voters of Enfield

The Budget Committee's Report to the voters of Enfield has been published separately in the addendum to this Town Report along with the 1999 Warrant, Budget of the Town of Enfield (MS-7), Proposed Operating Budget and Supplemental Schedule-MBA (RSA 32:18, 32:19 & 32:21).

State of New Hampshire

Grafton S.S. **Town of Enfield**

*The complete 1999 Warrant has been published separately
as an addendum to this Town Report.*

To the inhabitants of the Town of Enfield, in the County of Grafton,
qualified to vote in Town affairs:

Take notice and be warned that the Annual Town Meeting of the Town
of Enfield, New Hampshire, will be held on two days as follows:

On Saturday, February 6, 1999, for the transaction of all
business other than voting by official ballot when the 1999 Warrant will be
presented, discussed and acted upon to create the Official Ballot, beginning at
9:00 a.m., at the Enfield Elementary School, U.S. Route 4, Enfield.

On Tuesday, March 9, 1999, at the Enfield Elementary School,
U.S. Route 4, Enfield, there will be voting by Official Ballot on all issues before
the Town. Polls will be open at 8:00 a.m. and close at 7:00 p.m. After the polls
close at 7:00 p.m., the ballots will be counted.

* * *

**The following articles were approved, until rescinded, by the voters
at the 1998 Town Meeting. The voters may reverse these decisions by a
majority vote at a subsequent Town Meeting, provided an article is included
on the warrant. An article may be placed on the warrant by the Board of
Selectmen or by petition [RSA 40:13, II-a (b)].**

Shall the Town accept the provisions of RSA 31:95-b providing that any
town at an annual meeting may adopt an article authorizing indefinitely, until
specific rescission of such authority, the selectmen to apply for, accept and
expend, without further action by the Town Meeting, unanticipated money from
a state, federal, or other governmental unit or a private source which becomes
available during the fiscal year?

Shall the Town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority the Public Library Trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

Shall the Town vote to accept the provisions of RSA 31:95-e providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to accept gifts of personal property, other than money, which may be offered to the Town for any public purpose? The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

Shall the Town vote to accept the provisions of RSA 202-A:4-d providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided, however, that no acceptance of personal property by the library trustees shall be deemed to bind the town or the library trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property?

Shall the Town vote to accept the provisions of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to borrow money in anticipation of taxes?

Shall the Town vote to accept the provisions of RSA 80:80 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to administer, sell or otherwise dispose of any tax lien or real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or to otherwise dispose of as justice may require, providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice posted in three public places and two local newspapers of wide circulation for two consecutive weeks?

Shall the Town vote to authorize indefinitely, until specific rescission of such authority, the selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided such street has been constructed to applicable town specifications as determined by the selectmen and their agent?

Shall the Town vote to accept the provisions of RSA 31:19 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose?

**1999 Budget of the Town of Enfield, N.H. (MS-7)
Proposed Operating Budget
and Supplemental Schedule -- MBA**

*The complete 1999 Budget of the Town of Enfield (MS-7), Proposed
Operating Budget and Supplemental Schedule-MBA
(RSA 32:18, 32:19 & 32:21) have been published separately as an

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Enfield
Enfield, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Enfield as of and for the year ended December 31, 1997 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Enfield has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Enfield, as of December 31, 1997, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Enfield taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Enfield. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Bridge Committee

We are pleased to report that the Grafton Pond Road bridge was replaced with a modern pre-cast concrete bridge in November, under budget and in record time. The project proceeded flawlessly, thanks to the excellent contractor, Superior Excavating, Inc. of Hookset, NH, the sound design by our engineers, T&M Associates, Inc. and Lawes Engineering, Inc. of Lebanon, NH, and the project management of our Public Works Department. Thanks also are due to the Selectmen, the Town Manager, the Conservation Commission, the Budget Committee, our State senators and representatives, Executive Councilor Ray Burton, and the NH Department of Transportation. Furthermore, we all appreciate the patience and understanding of you, the public, while the bridge was under construction.

Attention should next be paid to the narrow Boys' Camp Road bridge, two large diameter, deteriorated culverts on the Bog Road and the wood decked bridge over the Knox River on Shaker Boulevard. The Town is fortunate that it is responsible for only five major bridges, two of which have now been replaced. With the future support of the voters of the Town and the continued level of cooperation exhibited by all the organizations working on the Grafton Pond Road bridge, we anticipate further success in replacing the three remaining bridges.

Submitted respectfully,

A handwritten signature in black ink, appearing to read "Paul C. Putnam", with a stylized flourish at the end.

Paul C. Putnam
Secretary

Building Inspector/Health Officer/Fire Inspector

The purpose of Building Codes is to provide minimum standards for the protection of life, limb, health, property and environment and for the safety and welfare of the consumer and general public. A building permit shall be obtained before beginning construction and alteration or repairs, other than ordinary repairs. Any person violating any of the provisions of the 1996 BOCA Code, as adopted by the Town, shall be guilty of a misdemeanor.

Building permits were issued in 1998 for 15 single family homes, 27 garages and barns, 8 mobile homes, 28 additions and renovations, 41 storage buildings and decks, 1 commercial, 7 demolitions and 3 renewals.

BUILDING PERMIT FEE SCHEDULE

Permit Type	Processing Fee	+	Inspection Fee (per Square Foot)
Single Family Homes	\$25.00	+	10¢
Garages & Barns	\$25.00	+	6¢
Mobile Homes	\$25.00	+	8¢
Additions & Renovations	\$25.00	+	10¢
Storage Buildings & Decks	\$25.00	+	6¢
Multi-Family & Condominiums	\$50.00/unit	+	10¢
Commercial	\$100.00	+	8¢
Reinspection Fee	\$15.00		
Renewal	50% of Original Permit Fee		
Driveway Access Permit	\$25.00		
<i>A permit fee cap of \$2500 has been established for all applications.</i>			

Code books are available for your use at the Enfield Public Library during regular hours (632-7145). Applications for permits may be obtained from the Building Inspector or at the Selectman's Office.

If you need help or have any questions please call 632-4067, FAX 632-5182, or e-mail at town.of.enfield@valley.net. If I am not in, please leave a message and I will return your call. Questions answered now can prevent delays later.

As Health Officer I have assisted in many repairs and replacements of failed septic systems. I have also inspected licensed day care centers, foster homes and apartment buildings for minimum housing standards.

I have been delegated by Fire Chief David Crate, to perform the duties of Fire Inspector. As Fire Inspector, I will do fire inspections and issue permits to install and operate oil burning equipment, as required by State of New Hampshire RSA 153.5 and NFPA standard #31. Permit forms are also available at my office for other types of heating devices. These permits are for your safety and there is no charge.

Please help to keep our town a place that we can be proud of. If you need help or have any questions please call or stop by my office. Office hours are Monday & Tuesday, 9:00 am. to 4:00 pm. Inspection hours are Thursday & Friday, 9:00 am. to 4:00 pm., or by appointment.

Respectfully submitted,

A handwritten signature in cursive script, reading "Howard S. Adams".

Howard S. Adams

Building Inspector/Health Officer/Fire Inspector

Board of Cemetery Trustees

Several things have been accomplished this year. With help, Day Cemetery of the Revolutionary War era has been located. New fencing has been installed at Lakeview Cemetery, as well as other improvements. Six cemeteries have new signs.

At the new Countryside Cemetery, trees, stumps and visible boulders have been removed. An entrance access road is finished. Dead and scrub trees have been removed between the stone wall and Kluge Road.

This coming year we hope to machine grade the first section, construct twelve foot gravel roadways and install permanent granite markers for all future layout work.

New fencing will be available for replacing the wooden sections at the Enfield Center Cemetery behind the Union Church.

We will hire a contractor to repair and straighten several tall monuments in the older cemeteries.

I would like to thank all of those who made progress possible this year.

Respectfully submitted,

A handwritten signature in cursive script, reading "Fred Altvater".

Fred Altvater
Chairman

Conservation Commission

The year has been a very active one for the commission, which has reviewed 33 logging projects and 9 dredge and fill applications. There were six possible violations reported to the Wetlands Bureau in Concord. The Bureau is continuing to work with these individuals to bring them into compliance. Permits are required for docks, beaches, repair of docks on the lakes, and for culverts, roads and buildings within or across wetlands. The expedited applications for minor projects have improved the permitting process. Persons planning a project in or adjacent to water or wetlands should be sure to submit an application as soon as possible to allow plenty of time for review before construction is planned to begin. Application forms can be picked up at Whitney hall from the Town Clerk or from the Wetlands Bureau in Concord. We are available to help you determine if a permit is needed and to help with the application.

For the second year in a row, Enfield has received the New Hampshire Arborist's Association award to the Town in the 2,500-10,000 population, for outstanding efforts in beautification in 1997. This award was in recognition of all the flower plantings done within the town by the Enfield Garden Club and others. The Commission plans to do further plantings within selected areas of the Town.

What started out as an information mailing turned into a major project. We wanted to send out an information sheet about household hazardous waste when we found out that only 5 or 6 households were participating each year in the regional collection. The Commission in conjunction with the Upper Valley-Lake Sunapee Regional Planning Commission and the Enfield Department of Public Works decided to hold the first collection held in the Town at the end of August. There were 140 households that responded by bringing their hazardous waste to the collection site at Shaker Recreation Park. Plans are now being made to hold another in 1999 with the possibility of also collecting old automobile tires. Watch for the announcement.

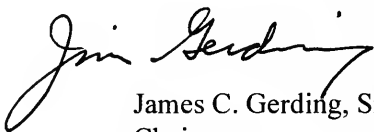

In 1996, the Selectmen requested that the Commission take on the task of perambulation of the town's boundary with the adjoining towns. According to State law this is to be done every seven years, however, some of ours were more than that for one reason or another. That first year the boundary with the Town of Springfield was perambulated. This year we perambulated the lines with the Town's of Grantham, Plainfield, and Lebanon. We look forward to next year with the town's of Canaan and Grafton.

Each year the commission has been monitoring properties with the Upper Valley Land Trust. These are lands that the owners have given conservation easements to either the Upper Valley Land Trust or the Town of Enfield. Presently there are six parcels with the newest addition, a large portion of the former Livingston Lodge property. This easement will keep almost 1,500 feet of shoreline on Mascoma Lake undeveloped.

Walking trails are continually being worked on to keep them in the best condition possible. A sign has now been added on the Grafton Pond Road so that the parking lot for the Bicknell Brook Trail will be easier to find. Collette's Trail from Crystal Lake to the Bicknell Brook Trail has now been completed. Parking for Collette's trail is available at either the Grafton Pond Road lot or on the Boys' Camp Road, where the road crosses Bicknell Brook. A historical information sign has been erected on the trail from the horse barns onto Shaker Mountain, where it crossed the aqueduct that carried water from Smith Pond to the Shaker development. Conditions along the Northern Rail Trail have improved greatly. The trail is now usable from the CCB in Lebanon to the Grafton-Danbury town line. More people are finding the joys that the trail has to offer. A REMINDER - on the Northern Rail Trail, because of State and Federal regulations, the trail is not to be used by motorized wheeled vehicles.

We look forward to another busy and active year.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jim Gerding". The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.

James C. Gerding, Sr.
Chairman

Enfield Center Town Hall Study Committee

In January of this year, the Selectmen received from Patrick MacQueen, Assistant Town Manager, a request that the Board address the following:

“The Enfield Center Town Hall currently receives little public use and for that reason minimal expenditure of public funds for its maintenance. The Selectmen and the Planning Board want to know for what public uses the facility could and should be used that would justify the expenditure of funds to provide adequate parking and proper maintenance of the building. If such public uses are not proposed, how should the Town dispose of the facility?”

A committee was formed of several residents in the Center to ascertain the feasibility of restoring/renovating the Enfield Center Town Hall. The decision was made to do a survey, keeping it simple and as cost-free as possible. One hundred copies of the survey were distributed to five locations in the community. To the best of my knowledge, not one of the original surveys was returned.

Another effort was made by a direct mailing. In June the Committee sent out a dozen copies of the survey to the chairmen of organizations and committees. We received eight responses, none of them very promising. However, we did get an enthusiastic verbal offer of support from the Shoestring Players, who eagerly await the Boards decision on the building.

In August, the Valley News did a commendable article in which they spelled out the problems and tried to elicit a response from the citizens. The only call I got was from the Model Railroad Club and their needs don't match our vision for the Hall. Our real disappointment was the position taken by the Historical Society. Their “wait and see” attitude does nothing to engender community support.

On a more positive note, a letter to the Board from the Lions Club was very encouraging. We, the Committee, realize the Hall hasn't been accepted as the Lions Club's next project, but the possibility remains. We know that the first thing our project needs is an active organization, recognized for its longevity and effectiveness in the community.

In conclusion, the Committee recommends the Board carefully consider any proposal that will advance our cause and fulfill our desire to, once again, see the Hall become an active and vibrant gathering place for the town of Enfield.

Respectfully submitted,

Evelyn Palmer, Chairman

F.A.S.T. Squad

The Enfield F.A.S.T. Squad has been in service for nearly 22 years now and currently has 12 active members. The Squad includes one Paramedic and eleven Emergency Medical Technicians certified at the Basic level. Two members are currently studying to certify at the Intermediate level which will enable them to initiate intravenous therapy as well as conduct more advanced assessments.

The ambulance responded to 224 calls in 1998 resulting in the transport of 191 patients representing over 1,100 hours of volunteer time in direct patient care. Members are expected to participate in training and business meetings held each month, attend 48 hours of continuing education, and successfully complete a 24 hour refresher course every two years.

Some of the highlights of 1998 were the relocation of the Squad and ambulance to the new station on Depot Street, the purchase and delivery of a new ambulance, the annual community CPR Course, the co-sponsoring of an EMT-B course, participation in the Recreation Department Safety Awareness programs, and education in several merit badge programs for local scouts.

The Squad wishes to express its appreciation to the citizens of Enfield for their continued support of this vital service. We encourage all who might be interested in joining our organization to please contact any of our members.

Enfield Fire Department

We are happy to report that the Enfield Fire Department had a mild year this year.

The new tanker has arrived and is in service at the Enfield Center Station. The new tanker is on a Freightliner chassis, has a 2,500 gallon stainless steel tank and 500 gpm pump with a 10" quick dump and is a welcome addition to the department's fleet.

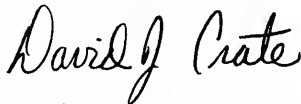

The Union Street Station purchased three Scott breathing apparatus. These packs are updated as we eventually replace the existing Survive-Airs. The Forestry unit is in progress and is expected to be completed in the Spring of 1999.

The exterior of the Union Street station has been completed, including the replacement of the overhead door in the old ambulance bay. Three interior doors are planned for replacement in 1999. Completion of the ceiling in the equipment bay is expected sometime in the future.

The department has purchased a new computer, allowing us to efficiently track fire incidents and prepare incident reports for reporting to the State of New Hampshire, as well as other office functions.

We thank the citizens of Enfield for their support in 1998, allowing the department to continue with preparation of the 1986 One-Ton Forestry Truck and the purchase of new equipment.

Respectfully submitted,

David J. Crate
Fire Chief

Enfield Public Library

Among the accomplishments achieved during 1998 was the purchase of a new outside book deposit box now located in the alcove in the front of the Library. This duplicates the original outside book deposit box that was relocated to the rear building entrance providing patrons the option of entry from the parking lot or the street. Additionally, with the installation of another direct telephone line, arrangements were made to establish Internet access adding to the available library services.

A number of trustee and staff changes occupied the year. Rebecca Powell left the Board of Trustees to pursue other interests. Both staff and patrons were saddened by the death of Frances Childs, whose interest and participation in library activities, particularly in the area of research, will be sincerely missed. Also, after twenty years of faithful and dedicated service, CA Russi retired from her position as library assistant. During her tenure, she became familiar and was directly involved with all the varied activities of the library and contributed substantially to its success. Her interest and devotion extended well beyond regular duties and her services will be missed by the staff and patrons alike. Additionally, several of the assistant library staff left to accept positions elsewhere.

As a result of these many changes Judith Kmon was appointed to fill the vacancy on the Board of Trustees. It is also a pleasure to welcome the return of Sara Seiler and Patricia Carney to the library staff; and to introduce Susan Van Ells as the new library assistant. With these associates in place the roster of library personnel is back to full strength.

The thanks of the Library administration go to the many patrons, the PTA and friends of the library who donated their time to support a variety of library services and activities. Special thanks go to Judy Kmon, Greta Crilley, Linda Cuthbert, Martha Lorimer and Janet Shepard for their contributions and hours of volunteer service.

Marjorie A. Carr
Librarian

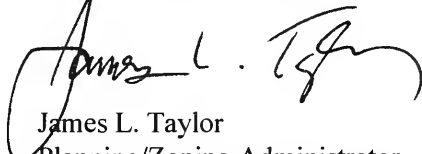

Planning Board

The Planning Board worked with many property owners and proposals in 1998. The Board approved one Excavation Permit, one Minor Subdivision, seven Site Plans, one Boundary Line Adjustment, seventeen town driveways and discussed sixteen conceptual plans. The Board also reviewed three state driveway permits, ten wetland permits, thirty five Intents to Cut and held four scenic roads hearings.

In addition the Board approved the Capital Improvements Plan for the Selectmen and Town Manager to use in developing their budgets. This will be a plan that is updated every year and will map the town's capital purchases over a five year period. Several Zoning Amendments were developed by the Board for the voters to consider at the 1999 Town Meeting. John Kluge was appointed as an Alternate Member to the Board. He brings a variety of experience to the Board and has participated in all of the meetings since his appointment.

The Planning Board meets on the second and the fourth Wednesdays of the month. The Planning/Zoning Administrator has office hours Tuesdays 9-3, Fridays 10-2 and other times by appointment.

Respectfully submitted,

James L. Taylor
Planning/Zoning Administrator

Police Department

The community was jolted with the loss of a popular daughter to an incident of domestic violence in early March. It was a shocking realization that we are not isolated from or immured to acts of violence. Our deepest sympathy reaches out to the families and children who suffered the loss of loved ones in this tragic incident. From this fatal incident we have heightened our sensitivities in matters of domestic violence and hope that our diligent efforts will preclude further devastation.

There was an increase in criminal complaints during this report period. It does appear that this trend may be fueled by an increase in illegal drug use in the community. If so, this part of a national trend seems to indicate that illegal drug usage is on the upswing and that persons of a younger age are experimenting with drugs. The drug of choice continues to be marijuana. However, there are increasing incidents in the surrounding towns of heroin usage and our Officer May did arrest an out-of-town resident on I-89 with several packages of heroin.

Illegal drug usage is a community problem and we are very confident of the support we obtain from members of our community and our schools. Our department has received considerable training on the detection and interception of illegal drugs; such training will continue. We have worked very closely with Federal and State agencies in a vigorous effort against illegal drugs. The department has several drug education programs in place which are generously supported by our civic and business leaders. It is not our intent to be alarmists of this social evil, but rather to be informational and to give assurances that we are determined to protect our community. We are always willing to work with families and the community on this problem.

Law Enforcement Explorer Post #44 continues to be a very active program in the department. Under the able leadership of Officer James Pushee and Mrs. Pushee, the police cadets have performed numerous public protection and safety projects in the community and in other towns. The cadets were called into service and traveled to New London during the ice storm emergency in January. We are rightfully proud of the dedication and service provided by police cadets.

Shaker Recreation Park Development Committee

During 1998, increasing numbers of children, adults and families used Shaker Recreation Park. It was used by a variety of organizations and individuals. The Enfield Baseball League, Mascoma Youth Baseball/Softball League, and adult softball leagues all enjoyed practicing and playing games here. Two adult softball tournaments were held this fall to raise more funds for the park. The field was used for soccer practices, company picnics and games, by the cub scouts and by a church youth group gathering for a picnic and games. Individuals and families have enjoyed flying kites, playing Frisbee, playing ball games, and jogging, to name a few other uses.

During 1998, fencing was installed at the end of the dugouts. The roof over the sign at the park entrance was built, erected and shingled. We finished laying the stone for the entry divider and planted bulbs and mums in the divider. A grill was installed in the picnic area and two trash receptacles were also installed. Volunteers began construction of the walking/jogging/cross-country trail in the fall. By building the trail we will address many other needs in our community.

The Enfield Baseball League, supporters of Needham Memorial Field, an anonymous foundation, and several individuals donated funds to further progress on the park. Trumbull-Nelson and Whitten Construction donated equipment for us to use during our workdays.

An ice rink was constructed and the Enfield Center Fire Department generously gave their time to flood the rink.

We are still in the process of developing this park. We are planning for a small playground area, a volleyball court, renovation of the storage shed interior and finishing the trail.

As in previous years, volunteers have played an enormous role in developing Shaker Recreation Park. Numerous individuals have donated their services and equipment, reducing our costs. We wish to express our sincere appreciation to all who volunteered their time, equipment and expertise to this project. The upcoming year, again, promises many opportunities for volunteers to join our efforts. Please feel free to call me and join us in making this project progress!

Respectfully submitted,

Jane Plumley

Chairman

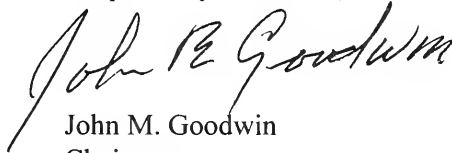

Trustees of Trust Funds

This year saw the retirement of John Carr from the Board of Trustees of Trust Funds. John's expertise in the area of investments and his background as a CPA have been invaluable to the Town of Enfield. Mary Bailey was elected to fill the vacancy.

At the Board's first meeting John Goodwin was elected chairman, Mary Bailey, treasurer and Sonny Hayes, secretary. In October Sonny Hayes resigned and was replaced in November by Walter Paine.

In November, the Board, after consulting with Assistant Town Manager, Patrick MacQueen, voted to have the town bookkeeping office take over the end of the year reports.

Respectfully submitted,

A handwritten signature in cursive script that reads "John M. Goodwin". The signature is written in dark ink and is positioned above the printed name and title.

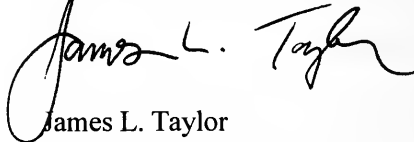

John M. Goodwin
Chairman

Zoning Board of Adjustment

The Zoning Board of Adjustment had a another quiet year hearing only seven appeals. The Board granted two Special Exceptions: One was to allow farm animals in the Residential (R1) District; the other allowed an increased sign area for a non-profit organization in the Residential (R1) District. The Board also denied one Special Exception that would have allowed above ground utilities in the Conservation (C) District. The board heard two appeals for Variances. One of the appeals requested a variance to the setback requirements in the Community Business (CB) District which was denied, and the other was for an expansion of a non-conforming use which the board determined was not needed. The board also denied a Motion for a Rehearing regarding the Special Exception granted to allow the farm animals. Nancy Scovner was elected to the Board after David Dow decided not to seek another term. Bert Gilbert rejoins the Board filling the seat vacated by Harry Auger. The Town of Enfield thanks Harry and David for their years of dedicated service.

The ZBA meets on the second Tuesday of every month. When there are no appeals to hear the board generally does not meet.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "James L. Taylor". The signature is fluid and cursive, with the first name "James" being the most prominent.

James L. Taylor

Planning/Zoning Administrator

Advance Transit, Inc.

Advance Transit, Inc. is a private nonprofit corporation that provides public transportation and rideshare service to several Upper Valley towns including Enfield, Canaan, Hanover and Lebanon, New Hampshire, and Hartford, Norwich and Hartland, Vermont. Advance Transit is governed by a volunteer Board of Directors. We currently have an opening for a representative from Enfield. For more information please contact Van Chesnut, Executive Director, at 802-295-1824.

Advance Transit continues to provide eight round trips daily to Lebanon and Hanover with connections to many Upper Valley destinations. All of our buses are now wheelchair accessible and are also equipped with bicycle racks.

Over 211,000 passenger trips were taken on Advance Transit buses in 1998.

Advance Transit continues to offer its Upper Valley Rideshare Program. If you do not live near a bus route and are looking for a ride or have one to share, we can help you find carpool partners. Call 1-800-685-RIDE or 295-1824 for more information or to sign up. You can also call this number for route and schedule information.

Advance Transit schedules are available in many Upper Valley locations. In the Enfield area they can be picked up at the Town Offices and at Cathy & Don's and Lockhaven Store. Schedules and Rideshare information can now be accessed on-line at [**www.communityinfo.com/rides**](http://www.communityinfo.com/rides).

We welcome your questions and comments. Thank you for letting us serve you!

Van Chesnut
Executive Director

Enfield Shaker Museum

...preserving the Enfield Shaker legacy

The Enfield Shaker Museum has had a wonderful year. We are very pleased to have been able to capitalize on our recent purchases and expand the Museum for everyone to enjoy in even more ways than before.

The Shaker Inn at the Great Stone Dwelling opened in June under the very able leadership of Don Leavitt. Much of the building has been painted, renovation work has been done and the results are magnificent. The dining room serves excellent food, reasonably priced - and a lounge with a pub menu. There is a Sunday Brunch, "Early Bird Specials" and overnight rooms begin at \$85. The Museum and the Inn have worked closely this year on the renovations, site work and a new Program Guide. We are also working with our neighbors, both residential and commercial, to make the whole Shaker site work for everyone.

Visitation to the Museum has increased by 20% this year, and our small staff has been very busy! We have also opened a new store in the Great Stone Dwelling which will be open many more hours than our current Laundry/Dairy Store.

There have been many improvements to the site this year. The Laundry/Dairy Building has been repainted to its historic colors. Utility wires have been buried, and leaks in the Great Stone Dwelling and the Chapel have been fixed. The West Meadow Barn has received a protective roof covering. The drive in front of the Great Stone Dwelling has changed and the hydrangea's and the old fence have all gone to good homes. Over the next several years we intend to return the site to its original Shaker arrangement. This will mean slightly altering the roads, changing the parking and rebuilding the historic board fence with its granite posts which is seen in many of the old photographs.

Inside we have been working as well. The Laundry/Dairy Building has a new Visitor's Reception Area with two bathrooms and a video room. Our permanent collection has been completely reinstalled for a new look at three areas of the Shakers' lives. In the Great Stone Dwelling we are working on measuring and photographing each room for a permanent record of the condition of the building when the Museum took it over. We have had the exposed asbestos removed from the basement of this building as well as the East Brethren's Shop.

Throughout the summer we have put on an exciting range of programming. Two art exhibits in the Stone Mill; a Spring Forum focusing on the construction of the Great Stone Dwelling; a Gala Opening of the Inn; the

Pontine Movement Theatre; Circus Smirkus as well as many musical groups have shared our site.

The Museum has received several significant grants this year, indicating support and approval for our museum practices. Grants contributed to the planning, support and programming at the Museum this year were received from the Institute of Museum and Library Services; The Corporate Fund; the NH Charitable Foundation; NH Humanities Council; the Upper Valley Community Foundation and the Mascoma Savings Bank Foundation.

We continue to receive a great deal of help from the Town of Enfield for which we are very grateful. Many of our staff and volunteers are Enfield residents and we could not exist without them; the Town Planners have helped us design our site plan and guided us through the setting up of the Inn; and many of you have come to visit. The Town's generous support of the Museum has enabled us to improve the state of our buildings and to create new programming - all of which we hope will make you even more proud of us.

Executive Councilor Raymond Burton

Report to the Towns & Cities in District One

As one of your elected officials, I am honored to report to you as a member of the New Hampshire Executive Council. This five member elected body acts much like a board of directors of your New Hampshire State Government in the Executive Branch.

In my twentieth year representing this District with 98 towns and four cities, there are many changes I've seen and been a part of in the past. My focus in this report to you is toward the future and some suggestions on how you as citizens might be encouraged to participate in the future.

The following are some ideas and suggestions. The Governor and Council have a constitutional and lawful duty to fill dozens of boards and commissions with volunteer citizens. If you are interested in serving on one or more of these volunteer posts, please send me your resumé at the State House and I'll see that it is passed on to Kathy Goode, Governor Shaheen's liaison to the Executive Council, or you may wish to send them directly to the Governor's Office, State House, 107 North Main Street, Concord, NH 03301.

Other resources available to your town include 10 million dollars (\$10,000,000) through the Community Development Block Grant program at the **Office of State Planning**. Call Jeff Taylor at 271-2155 to see if your town or area qualifies.

Annually, there is available some 10 million dollars (\$10,000,000) available through the **New Hampshire Attorney General's Office** for innovative programs for drug and law enforcement, stress programs dealing with youth at risk, assistance to victims and special programs for victims of domestic violence. For information call Mark Thompson at 271-3658.

Communities may request assistance through the **NH National Guard Army**, General John Blair's Office, for services such as a Drug Detection Dog, Community Presentations on Drug Demand Education and Career Directon Workshops. The telephone number is 225-1200.

The **Office of Emergency Management** at telephone number 1-800-852-3792 is the proper call when an emergency develops in your area such as floods, high winds, oil spills and ice jams.

State and Federal Surplus items may be purchased at minimum cost. Call Art Haeussler at 271-2602 for a list and newsletter.

In **New Hampshire Correctional Industries**, there are many products and services of use to towns, cities and counties, such as street signs, vehicle

decals, printing, car repair, furniture and data entry services, including web page development. Call Peter McDonald at 271-1875.

People and businesses looking for work - vocational rehabilitation, job training programs should call **NH Employment Security** at 1-800-852-3400.

NH Department of Environmental Services has available 20% grants for water/wastewater projects and landfill closure projects, revolving loans for water/wastewater and landfill closure and also money for Household Waste Collection days; call 271-2905. State Revolving Loans has available around 35 to 50 million dollars (\$35,000,000 to \$50,000,000) per year. For information call 271-3505.

Oil Funds - There are five petroleum funds which cover: oil spill cleanup and emergency response; reimbursement for cleanup by owners of: motor fuel underground and above ground tanks; heating oil facilities (primary home owners); and motor oil storage facilities (service stations and automobile dealers). For information call 271-3644. Further, there is a municipal grant fund for construction of used oil collection facilities and operator training. For information call 271-2942.

Household Hazardous Waste Collection Days - Annual grants to cities and towns for collection of household hazardous waste provide dollar for dollar matching funds up to a total of 50% of the costs incurred. For further information call 271-2047.

NH Health & Human Services Department has numerous divisions, providing a variety of services and assistance...mental health, public health, children & youth, etc. All of these may be obtained by calling 1-800-852-3345.

All of your New Hampshire State Government can be accessed by the general phone number at 271-1110 and through the State Webster Internet <http://www.state.nh.us>. Your New Hampshire Government is at your service, please call my office any time I can be of help (271-3632 and email: rburton@gov.state.nh.us)

Raymond S. Burton
Executive Councilor

Grafton County Board of Commissioners

During Fiscal Year 1998, funds received exceeded budget by \$870,963.13 for a total of \$17,220,304.13 in actual County Revenues. This was primarily due to receipt of a Medicaid Proportionate Share Payment given by the federal government to partially offset the cost of serving a disproportionate share of Medicaid recipients at the Grafton County Nursing Home. The actual Proportionate Share Payment was \$383,437.00. Actual Expenditures totaled \$17,068,886.02, which was \$719,545.02 more than had been budgeted. The bottom line shows Revenues exceeding Expenditures by \$151,418.11, leaving the County in a sound financial position at the end of the Fiscal Year. The Commissioners feel extremely proud of this financial picture which exemplifies good County management by all department heads, both elected and appointed.

Grafton County experienced major occurrences during FY 1998. One of which was that Grafton County is allowing the Town of Haverhill to hook into the existing sewer line at the County Complex with the understanding that the Town of Haverhill will take over ownership of the existing line and also all maintenance costs.

The Grafton County Regional Economic Development Council is in its second year of a Community Development Block Grant and thus far has made five loans.

The Commissioners went on record, and the Chair officially testified before Congress in Washington, as being opposed to the permit fee being charged for federal forest lands.

The Family Court project in Grafton County showed 2,056 cases from July 1, 1997 through June 30, 1998 which exceeded the projected number of 1,890.

A Nursing Home feasibility study was completed on the 1930 Nursing Home Building, which indicates some major renovations and/or new construction will have to take place in the near future.

The County Farm increased its revenue considerably due to the fact that it has now gone to milking three times a day.

The Jail population has maintained an extremely high census for the entire fiscal year.

A camp site was established on County-owned Howard Island for the public, in coordination with the Upper Valley Land Trust.

American Legion Post #20 donated an American flag and flagpole for the County Cemetery. And a donation was made anonymously for a gazebo for the Grafton County Nursing Home residents.

The Barbara B. Hill Memorial Children's Fun(d) was established in memory of the late Grafton County Commissioner Barbara B. Hill to assist children with fun activities. Forty-seven children throughout Grafton County received scholarships to assist them in attending Summer camps.

A Community Youth Profile Conference was held in each county to discuss common issues. Meetings continued to implement some of the ideas that came out of the conferences.

Grafton County took the lead for the other nine counties in the State and applied for a Community Development Block Grant in the amount of \$500,000 per year for two years in conjunction with the New Hampshire Community Loan Fund, to assist small businesses in borrowing amounts from \$500 to \$5,000 and to assist them with training and writing business plans. Grafton County is acting as the fiscal agent for all ten counties in the State of New Hampshire for this. The Loan Fund can be reached at (603) 224-6669.

The Grafton County Department of Corrections continues to apply for and be successful in obtaining grants from the State of New Hampshire's Attorney General's Office. Currently the DOC has a grant for the Drug Freedom/Electronic Monitoring Program, and another grant for Operation Impact which allows middle and high school students to tour the facility and be given a presentation by both a Corrections Officer and appropriate inmates.

The Commissioners endorsed and were pleased to hear that the federal government has announced the Connecticut River has been approved as one of the American Heritage Rivers. The Commissioners are continuing to monitor the Advisory Board to make sure there is local representation on that Board.

The Grafton County Board of Commissioners holds regular weekly meetings at the County Administration Building on Route 10 just north of the County Courthouse in North Haverhill with periodic tours of the Nursing Home, Department of Corrections, County Farm and Courthouse. The Commissioners also attend monthly meetings of the Grafton County Executive Committee. All meetings are public, with interested citizens and members of the press encouraged to attend. Call the Commissioners' Office at 787-6941 to confirm date, time and schedule.

In closing, we wish to express our appreciation to staff members, elected officials, other agency personnel and the public for their efforts in serving the citizens of Grafton County.

Steve Panagoulis, Chair (District 3)
Michael J. Cryans, Vice-Chair (District 1)
Raymond S. Burton, Clerk (District 2)

Grafton County Senior Citizens Council, Inc.

Grafton County Senior Citizens Council, Inc. provides programs and services which support the health and well being of our older citizens and assist them to remain independent in their own homes and communities for as long as possible. Through eight locations throughout the County, including Plymouth, Bristol, Canaan, Lebanon, Orford, Haverhill, Littleton and Lincoln, older adults and their families are able to make use of community based long term care services such as home delivered meals, senior dining room programs, transportation, care management services, information and referral, educational programs, adult day care, chore/home repair services, recreation and opportunities to be of service to the community through volunteering.

During 1998, 222 older residents of Enfield were able to make use of one or more of GCSCC's services, offered through the Mascoma Area and Upper Valley Senior Centers. These individuals enjoyed 3,076 balanced meals in the company of friends in a senior dining room, received 6,152 hot, nourishing meals delivered to their homes by caring volunteers, were transported to health care providers or other community resources on 1,675 occasions by our lift-equipped buses, were assisted with problems, crises or issues of long term care through 612 visits by a trained social worker and found opportunities to put their talents and skills to work for a better community through 1,856 hours of volunteer service. The cost to provide these services for Enfield residents in 1998 was \$78,029.00.

Community based services provided by GCSCC and its many volunteers for older residents of Enfield were often important to their efforts to remain in their own homes and out of institutional care despite chronic health problems and increasing physical frailty, saving tax dollars and contributing to the quality of life of our older friends and neighbors. As our population grows older, such support becomes ever more critical.

GCSCC very much appreciates the support of the Enfield community for services which enhance the independence and dignity of our older citizens and assists them to meet the challenges of aging in place.

Carol W. Dustin
Executive Director

Town Forest Fire Warden and State Forest Ranger

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Violations of RSA 227-L:17, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the N.H. Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. Early in 1998 we experienced an ice storm, which caused severe damage to forests in New Hampshire. This damage created a greater potential fire hazard as well as safety hazards to many areas of the state. Your local fire warden and Forest Rangers need your assistance in preventing wildfires in these hard hit areas throughout the State. If you need assistance or information dealing with ice damaged woodlands, please call 1-800-444-8978.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

UNH Cooperative Extension - Grafton County

UNH Cooperative Extension is a unique partnership among the Federal, State and County Governments. They provide the funding and support for this major educational outreach component of the University of New Hampshire with an Extension Office in each New Hampshire county and campus-based subject matter specialists who serve the whole state.

Here in Grafton County the office is located on Route 10 in North Haverhill in the Grafton County Courthouse. We are open from 8 AM until 4 PM Monday through Friday.

Our education programs are designed to respond to the local needs of county residents through the direction and support of an advisory council from throughout the county. We are currently focusing our efforts on:

- Dairy and Pasture Management
- Agriculture Profitability and Nutrient Management
- Forest & Wildlife Habitat Management and Stewardship
- Nutrition, Food Safety, Parenting & Family Financial Management
- Positive Youth Development
- Water Quality Education
- Improving Community Decision Making
- After-School Programs

The Extension Staff works out of the North Haverhill office but we travel to all areas of the county. Information and education are presented through phone calls, farm/office/home/agency visits, the media, workshops and educational series. In addition, volunteers expand our efforts through the Master Gardeners Program, 4H Club/Project/Organizational leaders, Stewardship Coverts and Family Focus Volunteers that teach parenting education. Our work is supported by an office staff of three that provide expertise and the front line communication with residents.

Below are ways that residents in the town of Enfield benefitted from UNH Cooperative Extension during the past year....residents received the bi-monthly Extension Connection; parents received the monthly newsletters Cradle Crier and Toddler Tales chronicling their child's development; residents attended a multi-session money management workshop; community tree planting information; some residents attended a pond clinic workshop; consumer call for home and garden information and soil testing information and recommendations.

You can reach us: by phone: 787-6944; fax: 787-2009; email: cegraffton@unhce.unh.edu; at our office in North Haverhill; or through our UNHCE Web site <http://ceinfo.unh.edu>.

We see our job to provide residents of Grafton County with the education and information they need to make informed decisions that strengthen youth and families, sustain natural resources and improve the economy.

Respectfully submitted,

Deborah B. Maes
Extension Educator &
County Office Administrator

Upper Valley Lake Sunapee Regional Planning Commission

The Upper Valley Lake Sunapee Regional Planning Commission (UVLSRPC) is a voluntary association of 31 towns. The Commission is concerned with the development of comprehensive plans for beneficial and balanced economic, environmental and social growth in the Region. It functions as a research, resource and informational agency and, when appropriate, acts to obtain Federal, State and other approvals, grants-in-aid, loans and similar assistance for individual member towns and for the Region. The Commission provides technical assistance to member communities in the areas of planning (land use, transportation, water quality, etc.), mapping, community development, grantsmanship and grant administration. In addition, regional studies such as our Regional Transportation Plan, and regional projects, such as household hazardous waste collections, the nomination of the Cold River to the NH Rivers Management and Protection Program and the Lake Sunapee and Connecticut River Scenic Byway Studies, are undertaken to the benefit of more than one community.

Thanks are due to both the Vermont and New Hampshire legislatures for their continued support. Our Commission has enjoyed close collaboration with the Economic Development Corporation of the Upper Valley, Green Mountain Economic Development Corporation and the Upper Valley and Quechee chambers of commerce, and looks forward to a continued productive partnership.

In the past year, services such as our Planning Board training and library, which features maps, planning resources and US Census data, were available to all of our member communities. Enfield residents, staff and board members have taken advantage of some of these services. A complete list of services which benefit our members is available.

In 1998, our work specifically for the Town of Enfield included, but was not limited to, the following:

- Provided map with contours and base layers for assessing storm damage.
- Discussed appropriateness and process for designation of Route 4A as a scenic byway.
- Provided copies of two aquifer protection model ordinances and discussed applicability to Enfield's needs.

-
- Discussed GIS data and services available for natural resource inventories and regulatory techniques for land protection.
 - Provided map of the town's stratified drift aquifers to overlay with town resource map set.
 - Organized and ran a household hazardous waste collection in Enfield.
 - Attended NHDOT-sponsored hearing regarding a bank stabilization project on US Route 4 between High Street and Oak Grove Street.
 - Attended NHDOT-sponsored hearing regarding the bridge rehabilitation projects along Main Street and Shaker Hill Road.
 - Performed traffic counts in seven locations in town.
 - Worked with local groups in town to prepare a list of important natural and cultural resources which was submitted to the NH Land and Cultural Heritage Commission.
 - Assessed needs to water supply providers with regard to protection of current and future water supply lands.
 - Completed a community assistance visit for the Federal Emergency Management Agency on the National Flood Insurance Program.
 - Participated in natural resource workshop series for local officials in Grafton County sponsored by UNH Cooperative Extension.

Our Commission looks forward to serving Enfield in the coming year.

Visiting Nurse Alliance of VT & NH, Inc.

Continual changes in our nation's health-care systems mean that government has placed increased responsibility for patient care with community-based agencies, such as Mascoma Home Health Services Branch. We are very appreciative of the continued support that Town of Enfield provides to help us meet the home care, hospice, and family support service needs of people in your community. We offer services that help your family, friends, and neighbors remain at home during times of illness or injury; we promote community wellness; and we provide important services to families-at risk:

- Town funds help provide care for people who require medically necessary services but who are unable to pay or who do not have adequate health insurance.
- Our comprehensive range of services is available to everyone in the community-- people of all ages and all economic means use our services.
- Hospital discharge planners and attending physicians work closely with us to decide on an appropriate course of treatment for each home health care or hospice patient.
- Our clinical staff provides skilled services for people recovering from surgery or accidents; who have an acute illness or a disability; who require long-term care; or who need support and symptom control during a terminal illness.

Mascoma Home Health Services Branch provided the following services in the Town of Enfield during the past year:

Visits		Hospice VNH	
Nursing	2,543	Volunteers, families served	31
Physical Therapy	736	Hospice VNH Volunteers, hours	8
Speech Pathology	28	Family Support Services Families	28
Occupational Therapy	358	Family Support Services Visits	13
Social Services	79	WIC Clients	160
Home Health Aide	3,227	WIC Clinic Visits	764
Homemaker	231		

On behalf of people we serve in your community, thanks for your continued confidence.

Respectfully submitted,
Elizabeth J. Davis, RN, MPH

Wise (Women's Information Service)

79 Hanover Street, Lebanon, NH 03766

(603) 448-5922

The WISE Board of Directors and staff thank the residents of Enfield for their support in 1998. Sixty-three Enfield residents used WISE services from July 1997 through the end of June 1998. This total represents an unduplicated count, and does not reflect the total numbers of contact hours for each client.

Our services include a 24-hour hotline, crisis intervention, safehomes, help with Relief from Abuse Orders, court advocacy, support groups and community education. Last year, WISE provided services to more than 1,000 area men and women.

Also a growing component of WISE, the Youth Awareness Program has an increasing role in area schools, with considerable attention to the Mascoma School District. Last , WISE made 68 presentations to students at Indian River School and the Mascoma High School. WISE works with students throughout the region with the message that violent relationships are not healthy relationships. These programs are designed to help teens say "NO" to violence in their lives and to work toward developing more equal and non-violent ways of relating to their peers.

Enfield support of WISE allows us to accompany victims of abuse to court, hospitals, shelters and safehomes. Your assistance also makes it possible for us to expand the training opportunities for those in our communities who are interested in becoming a part of our critical volunteer structure.

With Enfield's support, WISE can continue to offer all of our crisis services FREE of charge. We appreciate the positive working relationship we have with Enfield, as we all work toward violent free lives for the citizens of the Upper Valley.

Caye Currier
Executive Director

1998 Town Meeting

January 31, 1998 Deliberative Session

March 10, 1998 Official Ballot Vote

The following is not a complete copy of the Town Meeting minutes of January 31 and March 10, 1998, but reflects the results of the discussion and amendment of articles at the deliberative session and a record of the actual vote by Official Ballot.

Article 1. To choose by ballot to serve for:

Six years: James Gerding, Supervisor of the Checklist

Three years: Ilene P. Reed, Selectman
Carolee T. Higbee, Tax Collector
Mary Bailey, Trustee of Trust Funds
Mary Bailey, Cemetery Trustee
David Crate, Fire Ward
Greta Crilley, Library Trustee
Cindy Prior, Recreation Commission Member
Jane Smardon, Recreation Commission Member
Bertrand Gilbert, Zoning Board of Adjustment Member
Nancy Scovner, Zoning Board of Adjustment Member
Dominic Albanese, Budget Committee Member
Juleann McLaughlin, Budget Committee Member
Holly Sanders, Budget Committee Member

Two Years: David Beaufait, Moderator
David Hall, Budget Committee Member

Article 2. 577 YES, 113 NO. In favor of the question: Shall the Town establish an expendable general trust fund under the provisions of RSA 31:19-a, to be known as the Cemetery Maintenance Fund, for the purpose of maintaining the cemeteries; to designate the Board of Selectmen as agent to expend; and to appropriate the sum of seven hundred fifty and 00/100 dollars (\$750.00) for the purpose, revenues from 1997 sales of cemetery lots to offset this account?

Article 3. 466 YES, 216 NO. In favor of the question: Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$2,741,421? [Estimated Town tax rate of \$7.54 per \$1,000 valuation.] Should this article be defeated, the operating budget shall be \$2,734,451, which is the same as last year, with certain adjustments required by previous action of the Town or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. [If the default budget is approved the estimated Town tax rate is \$7.51 per \$1,000 valuation.]

Article 4. 456 YES, 233 NO. In favor of the question, as amended: Shall the Town establish a Land Acquisition Capital Reserve Fund for the purchase of easements and/or land for conservation, recreation or other public purposes; and to raise and appropriate the sum of three thousand and 00/100 dollars (\$3,000.00) to be placed within the fund?

Article 5. 491 YES, 198 NO (Majority vote required). In favor of the question: Shall the Town vote to raise and appropriate the following sums to be placed in the designated Capital Reserve Funds previously established?

Capital Reserve Account	Appropriation	Estimated Tax Impact
Municipal Buildings	\$ 5,000	2¢
Ambulance	5,000	2¢
Fire Vehicle/Equipment	83,000	40¢
Revaluation	10,000	5¢
Police Equipment	5,000	2¢
Public Works		
Vehicle/Equipment	10,000	5¢

Article 6. 133 YES, 560 NO. In opposition to the question: Shall the Town raise and appropriate the sum of one hundred five thousand four hundred and 00/100 dollars (\$105,400.00) for the purchase of a rubber-tired excavator?

Article 7. 283 YES, 401 NO. In opposition to the question: In the event of the failure of a vote to purchase a rubber-tired excavator, shall the Town vote to raise and appropriate the sum of eighteen thousand six hundred fifty and 00/100 dollars (\$18,650.00) for the continued lease of a rubber-tired excavator?

Article 8. 462 YES, 224 NO. In favor of the question: Shall the Town vote to raise and appropriate the sum of six thousand and 00/100 dollars (\$6,000.00) in order to prepare the 1986 One-Ton Forestry Truck for operation by the Fire Department?

Article 9. 344 YES, 343 NO. In favor of the question: Shall the Town vote to raise and appropriate the sum of eight thousand seven hundred thirty and 00/100 dollars (\$8,730.00) for the purchase of new equipment for the Fire Department?

Article 10. 464 YES, 230 NO (Majority vote required). In favor of the question: Shall the Town vote to raise and appropriate the sum of eighty thousand and 00/100 dollars (\$80,000.00) (gross budget) to purchase a new ambulance and to authorize the withdrawal of forty-four thousand dollars (\$44,000) from the Ambulance Capital Reserve Fund, and to appoint the Board of Selectmen as agent to expend, the balance of thirty-six thousand dollars (\$36,000) to come from general taxation?

Article 11. 313 YES, 381 NO. In opposition to the question: Shall the Town vote to raise and appropriate the sum of five-thousand dollars and 00/100 (\$5,000.00) to purchase professional services to study the design feasibility of Whitney Hall auditorium renovations.

Article 12. 397 YES, 291 NO. In favor of the question: Shall the Town designate Oak Hill Road as a scenic road per RSA 231:157 for the purpose of preserving the trees and stone walls along this road? To preserve the rural character, the highway department may only remove portions of trees, shrubs, vegetation and other natural or man made obstructions from within three feet of the main traveled portion of such road which interfere with the safe travel upon such road without such consent as required by RSA 231:158, II.

Article 13. 390 YES, 301 NO. In favor of the question: Shall the Town vote to designate that portion of the Lockehaven/East Hill Road that begins at the Crystal Lake Road, East to the Grafton Town line as scenic road per RSA 231:157 for the purpose of preserving the trees and stone walls along this road? To preserve the rural character, the highway department may only remove portions of trees, shrubs, vegetation and other natural or man made obstructions from within three feet of the main traveled portion of such road which interfere with the safe travel upon such road without such consent as required by RSA 231:158:II.

Article 14. 320 YES, 361 NO. In opposition to the question, as amended: Shall the Town vote to appoint a study committee to examine the feasibility of withdrawing from Mascoma School District and forming its own School District and to examine the feasibility of implementing other alternative educational formats to serve the educational needs of Enfield's children?

The following articles were approved at the 1998 Town Meeting by a majority vote, until rescinded. The voters may reverse these decisions by a majority vote at a subsequent Town Meeting, provided an article is included on the warrant. An article may be placed on the warrant by the Board of Selectmen or by petition [RSA 40:13, II-a (b)].

Article 15. In favor of the question: Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year?

Article 16. In favor of the question: Shall the Town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority the Public Library Trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

Article 17. In favor of the question: Shall the Town vote to accept the provisions of RSA 31:95-e providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to accept gifts of personal property, other than money, which may be offered to the Town for any public purpose? The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

Article 18. In favor of the question: Shall the Town vote to accept the provisions of RSA 202-A:4-d providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided,

however, that no acceptance of personal property by the library trustees shall be deemed to bind the town or the library trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property?

Article 19. In favor of the question: Shall the Town vote to accept the provisions of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to borrow money in anticipation of taxes?

Article 20. In favor of the question, as amended: Shall the Town vote to accept the provisions of RSA 80:80 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to administer, sell or otherwise dispose of any tax lien or real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or to otherwise dispose of as justice may require, providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice posted in three public places and two local newspapers of wide circulation for two consecutive weeks?

Article 21. In favor of the question: Shall the Town vote to authorize indefinitely, until specific rescission of such authority, the selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided such street has been constructed to applicable town specifications as determined by the selectmen and their agent?

Article 22. In favor of the question: Shall the Town vote to accept the provisions of RSA 31:19 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose?

P. Mirski told the audience that he had state constitutions available for any one who wanted one.

P. Martin asked why town reports had not been mailed, to which I. Reed explained that under the time constraints of SB 2 it hadn't been possible. The fiscal year closed and the town reports, produced and printed in 29 days, were received only two days previously. P. MacQueen said that town reports would be mailed to all property owners who were not present.

I. Reed, as chairman of the Board of Selectmen, presented a plaque to Albert Ruel in honor of his fifty years of service to the town fire department. The Meeting was adjourned at 11:45 am.
